

# BATTISTI CUSTOMS, INC.

REDEFINING LUXURY TRANSPORTATION TOGETHER

All Florida Association Members and Operators,

The Principals of Battisti Customs Inc. take great pride in our industry. We have and always will do what we can to support it. This is where our slogan *REDEFINING LUXURY TRANSPORTATION TOGETHER* comes from. We are dedicated to helping bring the support needed to keep our industry fair and moving forward by working with our dealers and association operators.

Recently, the state of Florida has taken the proper action to become the front runner in winning the fight against UBER. All their hard work is in great hope and effort to beat UBER and create a playbook for all of the industry and start a domino effect which will level the playing field state by state.

**In light of their amazing progress, Battisti Customs is making a pledge for the 2015 year to donate \$1,000.00 to Florida's fight for every Battisti Custom Vehicle purchased in the State of Florida.**

Battisti Customs offers limousines and shuttles on Mercedes Sprinters, Ford Transits, Chrysler ProMasters as well as limo bus interiors on several platforms such as E450 / F550 / M2 Freightliners built on StarCraft, Newport, and Ameritrans Bus types. By offering something that fits everyone's budget, from \$45,000 to \$190,000, this donation can be as large or as small as the state of Florida determines.

*We are putting the ball in your court, Florida!*

There are over 200 NLA Members in Florida alone. This leaves a large opportunity to raise anywhere from \$1000 to \$200,000+ in the fight against UBER. Please pass the word along to everyone you're affiliated with in the state of Florida. If this program can raise the kind of money needed to win against UBER, we will *all* see the benefits. The Chauffeur Driven show is taking place in Miami this November and we can't ask for better timing to raise these funds!

Battisti Customs' vehicles are in stock and available for purchase at Alliance Bus Group, a dealer based out of Orlando and who is an upstanding member and supporter of ALL the Florida livery associations.

Battisti Customs' products can also be built to suit in 8 to 9 weeks.

Please contact Brian Dickson at Alliance Bus Group Florida for more information today.
